2. The Chief Secretary, Government of A.P. conducted a meeting on 03.07.2014 and 08.07.2014 regarding 4G communication expansion. During the meeting, it was decided to follow the provisions enumerated in G.O.Ms.No.5, Finance and Planning (Plg.IT&C) Dept. dt: 11.02.2000 and it was reiterated that wherever the Service Provider lays the cables, the first option should be given to him to restore the road to its original level at his cost and to the satisfaction of the concerned department. The connectivity to all nooks and corners of the state in terms of 4G extension is the priority area for the State Government. To facilitate the same both in terms of laying of cables as well as setting up of towers and to sort out any issues with the Service Providers, the Commissioner – MA&UD (for Municipal areas) and the Commissioner - PR (Panchayat areas) are appointed as nodal officers.
